D - 350 mm.

H - 200 mm.

Price:

Real Wood Veneer - £255 + VAT.

Melamine - £195 + VAT.

Lectern 21.

We feel that this folding lectern is a credit to our designers. Many folding lecterns are designed with little consideration for the final look of the item. Within this lectern we believe we have incorporated functionality and mobility with an elegant and stylish appearance.

Dimensions at the furthest points:

W - 675 mm.
D - 400 mm.
H - 1175 mm.

Real Wood Veneer - £550 + VAT.
Melamine - £450 + VAT.

Lectern 22.

This extraordinary lectern was made at the request of an existing client. We liked the result so much we had no hesitation in including it within our range. The thickness of the wood is an exceptional 45mm throughout whilst the acrylic for the top is 25mm in depth. The acrylic front is 10mm deep. Any logo or wording can be incorporated within the front panel. The wood shown here is cherry.

Dimensions at the furthest points:

W - 750 mm.
D - 530 mm.
H - 1100 mm.

Real Wood Veneer - £1097 + VAT.

Lectern 23.

This British made stainless steel lectern has been added to our range due to the high level of demand from our customers. At Turning Leaf we genuinely believe that buying British is still the sure way to achieve the quality and excellence that you are looking for.

If you require any lectern design to be made out of stainless steel then please contact us for a no obligation discussion.

Dimensions at the furthest points:

W - 690 mm.

D - 380 mm.

H - 1190 mm.

British made Stainless Steel - £745 + VAT.

Lectern 24.

Table Top Lectern.

This table top lectern has proved popular for customers requiring extra elevation from their table top lectern. The wood shown is oak with a mild stain applied to it. All of our lecterns are lacquered three times to give extra protection and a superior finish.

Dimensions at the furthest points:

W - 600 mm

D - 370 mm

H - 300 mm.

Real Wood Veneer - £295 + VAT.

Melamine - £215 + VAT.
